AGENDA

1. 50th Annyversary of FAI Space Modelling
2. Future SM Championships.
3. Considerations of proposals for the rules changes – Volume SM

ITEM 1.

SM SC Chairman informed attendance of the 50th Anniversary of SM in CIAM, its planned observance, special awards for 9 organisations and 11 individuals to be handed of CIAM Flyer on this Anniversary edited by Emili Giezendanner (SUI).

The following proposals below are considered and voting on them. There was only one vote per country – total 7 votes. Counted only “in favour” and “against”.

In separate column are given voting results by the Space Models SC members given by email earlier.

ITEM 2.

Considered are future FAI Championships for Space Models:

2012 – World Championship – Slovakia – Liptovsky Mikulas - Preparations are in accordance with the time table. There are 20 registered countries so far and 5 new registrations are expected.

2013 - European Championships – Bulgaria – Kaspichan – Organiser is ready to organise this event in accordance with the FAI standards.

2014 – There are two firm bids for World Championships by Bulgaria and Poland. Both countries shall present their offers and CIAM Plenary meeting shall vote to which of these two countries to award the event.

2015 – The tentative offer from Turkey exists. Other offers and also offers for 2016 and later are invited.

ITEM 3.

The following proposals for the rules changes have been considered:
