

2018 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
25/10/2108	2018/18	<p>The Jury President of the 3rd World Cup of Indoor Skydiving contacted the bureau to inform us that the Chief Judge of the Formation Skydiving event had decided to use two panels of 5 judges rather than the minimum of 3 as per 5.2. of the Indoor FS Competition rules.</p> <p>The Indoor “absolute” rule in 5.3.1 requires a unanimous decision of the judges whereas the Outdoor “absolute” rule 5.4.1. requires a minimum 4 to 1 decision in a 5-person panel. The Chief Judge requested the Jury to allow him to make this change. The Jury felt that this should be an interim bureau decision.</p>	<p>After verifying that the IPC Formation Skydiving Committee was in favour of this change and that it would be discussed next IPC Plenary for permanent inclusion into the Indoor FS rules, the IPC Bureau decided to approve this change for the duration of the 3rd World Cup of Indoor Skydiving.</p>
